### **1. Collect an entry slip on the way in through reception.**

### **2. Gear checking.**

Take your bike directly to the GEAR CHECKERS outside the workshop. If unsure of the process collect a quick guide from the gear checkers. Gear checkers are not there to do your mechanics! A gear checker will stamp your entry slip to confirm your bike has passed the check and then you should proceed to the sign on area.

### **3. Signing on.**

At the sign on desk hand over your entry slip and pay the relevant race fees. Have ready your racing licence (day licences can be purchased with parental consent forms), sign on your age category sheet. Collect your race number and check how to display the number on your jersey.

### **4. Preparation.**

Check your race times, get changed and bike ready. Head to the warm up area at the top end of the circuit, or warm up on rollers. Once warmed up head to the holding area at the end of the top circuit. Ready to race with helmet and numbers!

### **5. Races.**

Riders: follow the commissaire's and marshall's instructions. Race safe!

Supporters: follow the marshal's instructions, only cross the tarmac at designated points. PLEASE do not crowd officials, commissaires or judges.

1st, 2nd & 3rd placed riders report to gear check immediately after finish.

### **6 Results.**

Provisional results will be posted in the sign on area as soon as possible. Full results will be posted on the British Cycling website following the event, as well as on the Team Darenth Facebook page.

### **7 Race numbers.**

Please do not forget to exchange your race number for your race licence before leaving the venue.

Car park charges will apply, so please bring change.

All races run under full British Cycling rules. Gear checks are compulsory before sign on, sign on closes 10 minutes before race category start.
